**Errata Sheet for WRIR 01-4002  
September 20, 2001**

**“Simulation of Ground-Water Flow in the  
Mojave River Basin, California.”**

By Christina L. Stamos, Peter Martin,  
Tracy Nishikawa, and Brett F. Cox

Water-Resources Investigations Report 01-4002  
Sacramento, California 2001

**Version 1.0—January 2001**

Initial release on the Web only at <http://ca.water.usgs.gov/rep/wrir014002/>

**Version 1.1—February 16, 2001**

Page 12: A new figure 5 was imported into the text to replace the one that was incorrectly used.

**Version 2—August, 2001**

Revised pumpage estimates and updated model.

Web copy moved to new location:

<http://water.usgs.gov/pubs/wri/wri014002/> where you can also find any updates to it that are available.

**Version 3—September 14, 2001**

Page 104: The values of the contour labels on Figure 42A were revised to make changes in hydraulic head clearer. The previous version indicated decreases in hydraulic head with positive values and increases with negative values. The current version indicates decreases in hydraulic head with negative values and increases with positive values. Released on CD-ROM. These corrections were made prior to the CD-ROM going to press.

We apologize for any inconvenience these errors may have caused.
